

## Leap Therapeutics Announces Proposed Public Offering of Common Stock and Pre-Funded Warrants

September 21, 2021

CAMBRIDGE, Mass., Sept. 21, 2021 /PRNewswire/ -- Leap Therapeutics, Inc. (Nasdaq:LPTX), a biotechnology company focused on developing targeted and immuno-oncology therapeutics, today announced that it has commenced an underwritten public offering of its common stock and, in lieu of common stock, Leap intends to offer and sell to certain investors pre-funded warrants to purchase shares of its common stock. All shares of common stock and pre-funded warrants to be sold in the offering will be offered by Leap. Leap intends to grant the underwriters a 30-day option to purchase up to an aggregate of an additional 15% of the securities offered in the public offering. The offering is subject to market, regulatory, and other conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

Piper Sandler & Co., Raymond James & Associates, Inc. and Mizuho Securities USA LLC will act as book-running managers for the offering. Robert W. Baird & Co. Incorporated will act as lead manager for the offering.

Leap intends to use the net proceeds from the offering to fund: (i) the continued development of DKN-01; (ii) manufacturing of clinical trial material; and (iii) general corporate purposes, including working capital and other general and administrative expenses.

The securities will be issued pursuant to an effective shelf registration statement on Form S-3 (File No. 333-248797) that was previously filed by Leap with the Securities and Exchange Commission (the "SEC") on September 14, 2020 and declared effective by the SEC on October 16, 2020. A preliminary prospectus supplement and the related prospectus will be filed with the SEC and will be available for free on the SEC's website at <http://www.sec.gov>. Copies of the preliminary prospectus supplement and the accompanying prospectus relating to the offering, when available, may be obtained from Piper Sandler & Co., Attn: Prospectus Department, 800 Nicollet Mall, J12S03, Minneapolis, MN, 55402, by telephone at (800) 747-3924, or by e-mail at [prospectus@psc.com](mailto:prospectus@psc.com). ### FORWARD-LOOKING STATEMENTS

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995, which involve risks and uncertainties. These statements include statements relating to the proposed offering, Leap's intention to grant the underwriters an option to purchase additional shares, Leap's intended use of proceeds from the offering, Leap's expectations with respect to the development and advancement of DKN-01, including the initiation, timing and design of future studies, enrollment in future studies, potential for the receipt of future option exercise, milestone or royalty payments from BeiGene, and other future expectations, plans and prospects. Although Leap believes that the expectations reflected in such forward-looking statements are reasonable as of the date made, forward-looking statements are subject to known and unknown risks, uncertainties and other factors that could cause actual results to differ materially from our expectations. Such risks and uncertainties include, but are not limited to: that the initiation, conduct, and completion of clinical trials, laboratory operations, manufacturing campaigns, and other studies may be delayed, adversely affected, or impacted by COVID-19 related issues; the accuracy of our estimates regarding expenses, future revenues, capital requirements and needs for financing; the outcome, cost, and timing of our product development activities and clinical trials; the uncertain clinical development process, including the risk that clinical trials may not have an effective design or generate positive results; our ability to obtain and maintain regulatory approval of our drug product candidates; the size and growth potential of the markets for our drug product candidates; our ability to continue obtaining and maintaining intellectual property protection for our drug product candidates; and other risks. Detailed information regarding factors that may cause actual results to differ materially will be included in Leap Therapeutics' periodic filings with the SEC, including Leap's Annual Report on Form 10-K for the fiscal year ended December 31, 2020, as filed with the SEC on March 12, 2021 and as may be updated by Leap's Quarterly Reports on Form 10-Q and the other reports we file from time to time with the SEC. Any forward-looking statement contained in this release speaks only as of its date. We undertake no obligation to update any forward-looking statement contained in this release to reflect events or circumstances occurring after its date or to reflect the occurrence of unanticipated events.
