#### Leap Therapeutics Reports Third Quarter 2021 Financial Results

**Cambridge, MA – November 12, 2021** – Leap Therapeutics, Inc. (Nasdaq:LPTX), a biotechnology company focused on developing targeted and immuno-oncology therapeutics, today reported financial results for the third quarter ended September 30, 2021.

#### **Leap Third Quarter Highlights:**

- Completed a \$103.6 million public offering of common stock and pre-funded warrants to purchase common stock, resulting in net proceeds of \$96.8 million
- · Presented positive initial data from the DisTinGuish Study of DKN-01 plus tislelizumab and chemotherapy in gastric cancer patients at the European Society for Medical Oncology (ESMO) Congress 2021

"We presented positive new data at ESMO of DKN-01 in combination with BeiGene's tislelizumab and chemotherapy demonstrating compelling overall response rates in patients with first-line gastric or gastroesophageal junction (G/GEJ) cancer, particularly those patients whose tumors expressed high levels of DKK1 or low PD-L1," said Douglas E. Onsi, President and Chief Executive Officer of Leap. "We look forward to presenting additional data from the DisTinGuish study early next year and aggressively advancing DKN-01 into the next stages of development in G/GEJ and other cancers."

#### **Business Update**

• Leap Completed a \$103.6 Million Public Offering of Common Stock and Pre-Funded Warrants to Purchase Common Stock - In September 2021, Leap announced the commencement and closing of an underwritten public offering of 27,568,072 shares of its common stock, including the sale of an additional 4,740,000 shares of its common stock pursuant to the full exercise of the underwriters' option to purchase additional shares, and of pre-funded warrants to purchase 8,771,928 shares of its common stock. Aggregate gross proceeds to Leap from the offering were \$103.6 million, including \$7.25 million invested by its collaborator and existing investor BeiGene, Ltd., resulting in net proceeds after underwriting discounts and commissions and offering expenses of \$96.8 million.

#### **DKN-01 Clinical Milestones**

DKN-01 is a humanized monoclonal antibody that binds to and blocks the activity of the Dickkopf-1 (DKK1) protein. DKK1 modulates the Wnt/Betacatenin and PI3kinase/AKT signaling pathways, which play an important role in tumor cell signaling and in mediating an immuno-suppressive tumor microenvironment through enhancing the activity of myeloid-derived suppressor cells and downregulating NK cell ligands on tumor cells.

Initial Data from the DisTinGuish Clinical Trial of DKN-01 Plus Tislelizumab and Chemotherapy Presented at ESMO Congress 2021. The Company presented initial positive data from the first-line cohort of the Phase 2a study in patients with G/GEJ cancer. Of the 25 first-line HER2-G/GEJ patients who received a full cycle of DKN-01 therapy, overall response rate (ORR) was 68.2%, with 90% ORR in DKK1-high patients and 56% in DKK1-low patients. Among those patients with PD-L1-low expression, ORR was 79% (with 100% ORR in DKK1-high patients and 57% ORR in DKK1-low patients), and in patients with PD-L1-high expression, ORR was 67% (with 75% ORR in DKK1-high patients and 50% in DKK1-low patients), suggesting response to DKN-01 was independent of PD-L1 expression.

#### **Selected Third Quarter 2021 Financial Results**

Net Loss was \$11.1 million for the third quarter 2021, compared to \$7.1 million for the same period in 2020. License revenues were \$0.4 million for each of the third quarter 2021 and the same period in 2020, and relate to the Agreement with BeiGene for the development and commercialization of DKN-01 in Asia (excluding Japan), Australia, and New Zealand.

Research and development expenses were \$10.1 million for the third quarter 2021, compared to \$5.4 million for the same period in 2020. The increase of \$4.7 million in research and development expenses was due to an increase of \$3.3 million in manufacturing costs related to clinical trial material due to timing of manufacturing campaigns, an increase of \$0.7 million in clinical trial costs due to timing of patient enrollment, an increase of \$0.6 million in payroll and other related expenses due to an increase in headcount of our research and development full time employees, and an increase of \$0.1 million in stock based compensation expense due to new stock options granted to research and development full time employees in 2021.

General and administrative expenses were \$2.4 million for the third quarter 2021, compared to \$2.5 million for the second quarter 2020. The decrease of \$0.1 million in general and administrative expenses was due to a \$0.4 million decrease in professional fees partially offset by an increase of \$0.2 million in stock based compensation expense due to new stock options granted to general and administrative full time employees in 2021 and an increase of \$0.1 million in payroll and other related expenses.

Cash and cash equivalents totaled \$124.8 million at September 30, 2021. Research and development incentive receivables totaled \$1.6 million at September 30, 2021.

#### **About Leap Therapeutics**

Leap Therapeutics (Nasdaq: LPTX) is focused on developing targeted and immuno-oncology therapeutics. Leap's most advanced clinical candidate, DKN-01, is a humanized monoclonal antibody targeting the Dickkopf-1 (DKK1) protein. DKN-01 is in clinical trials in patients with esophagogastric, hepatobiliary, gynecologic, and prostate cancers. Leap has entered into a strategic collaboration with BeiGene, Ltd. for the rights to develop DKN-01 in Asia (excluding Japan), Australia, and New Zealand. For more information about Leap Therapeutics, visit <a href="http://www.leaptx.com">http://www.leaptx.com</a> or view our public filings with the SEC that are available via EDGAR at <a href="http://www.sec.gov">http://www.sec.gov</a> or via <a href="https://investors.leaptx.com/">https://investors.leaptx.com/</a>.

#### FORWARD-LOOKING STATEMENTS

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, Section 21E of the Securities Exchange Act of 1934, as amended, and the Private Securities Litigation Reform Act of 1995, which involve risks and uncertainties. These statements include Leap's expectations with respect to the development and advancement of DKN-01, including the initiation, timing and design of future studies, enrollment in future studies, potential for the receipt of future option exercise, milestone, or royalty payments from BeiGene, and other future expectations, plans and prospects. Although Leap believes that the expectations reflected in such forward-looking statements are reasonable as of the date made, forward-looking statements are subject to known and unknown risks, uncertainties and other factors that could cause actual results to differ materially from our expectations. Such risks and uncertainties include, but are not limited to: that the initiation, conduct, and completion of clinical trials, laboratory operations, manufacturing campaigns, and other studies may be delayed, adversely affected, or impacted by COVID-19 related issues; the accuracy of our estimates regarding expenses, future revenues, capital requirements and needs for financing; the outcome, cost, and timing of our product development activities and clinical trials; the uncertain clinical development process, including the risk that clinical trials may not have an effective design or generate positive results; our ability to obtain and maintain regulatory approval of our drug product candidates; the size and growth potential of the markets for our drug product candidates; our ability to continue obtaining and maintaining intellectual property protection for our drug product candidates; and other risks. Detailed information regarding factors that may cause actual results to differ materially is included in Leap Therapeutics' periodic filings with the SEC, including Leap's Annual Report on Form 10-K for the fiscal year ended December 31, 2020, as filed with the SEC on March 12, 2021 and as may be updated by Leap's Quarterly Reports on Form 10-Q and the other reports Leap files from time to time with the SEC. Any forward-looking statement contained in this release speaks only as of its date. Leap undertakes no obligation to update any forward-looking statement contained in this release to reflect events or circumstances occurring after its date or to reflect the occurrence of unanticipated events.
